

INSTA-USE GLASS & MULTI SURFACE CLEANER

High performance "all-purpose" cleaner. Safe with a closed dosing system with precise dosage through cartridges. The Insta-Use cartridges contain a concentrated formula that provides excellent cleaning performance in a small and easy-to-use cartridge, which also requires 30 times less storage space.

The spray is completely free of ammonia and contains no corrosive formulas.

Works on all types of surfaces; wood, glass, stone, metal, plastic etc.

Spray directly on dry paper, not on the surface that needs to be cleaned.

Part No:	R112/R113
Packaging:	12 x 10 ml cartridges
Pallet Configuration:	30 cases
Storage:	Store between -30 to 50 degrees.

NOTE: Do not mix with other chemicals. For professional use only.

INSTRUCTIONS FOR INSTA-USE GLASS & MULTI SURFACE CLEANER

Fill the spraybottle with tap water to the specified line.

Add cartridge.

Screw on the spray head.
In order to mix the concentrate with the water, flip the bottle a few times.
